### EXPERIENCE

**ASuop Graphic Design, Stockton, CA** June 2020—present

- Collaborates with a student team of designers at University of the Pacific
- Attends weekly meetings to share ideas and critique each other's works with useful feedback and suggestions
- Meets tight project deadlines
- Multitasks and handles multiple projects at once
- Designs and illustrates social media graphics to advertise virtual events
- Redesigned the ASuop logo for use on school merchandise
- Designed logos for new departments of ASuop

### PROJECTS

- Designed multiple websites with WIX establishing clear layouts and a brand identity
- Collaborated with fellow classmates and artists to create and publish an online exhibition
- Directed, filmed, and edited an interview video using Adobe Premiere Pro
- Designed typographic posters, book covers, and flyers
- Coded and designed a multi-paged website layout for a brand with HTML and CSS using Adobe XD and Dreamweaver
- Created and designed a cohesive logo, product deliverables, and color palette that established brand identity
- Designed posters advertising enrollment for various classes at San Joaquin Delta College
